PROGRAMMES

Dance Force United offers recreational, competitive & elite, and student-assistant programmes.
For further information please view the programmes page on the website.

RECREATIONAL PROGRAMMES	COMPETITIVE & ELITE PROGRAMME	STUDENT-ASSISTANT PROGRAMME
<p>From Bunnies to Seniors, students are offered classes in an array of disciplines, developing co-ordination, musicality, discipline, and dedication. Classes are curated to be taken one-after-the-other as a rolling system to ensure efficient time management, avoiding multiple days and evenings at the studio. Students work toward an annual Dance Concert which is highly recommended but not compulsory.</p>	<p>The Competition and Performance Team is based upon an invite only basis or an audition process, this avenue is afforded to students who showcase exceptional talent, dedication, and potential. Students Partake in multiple competitions throughout the year and are guided as they progress in age and level. Further assistance is available to those wishing to pursue a career within the Performing Arts.</p>	<p>The HotStepper™ programme has been specifically implemented for students that are ready to advance their skill sets within the teaching realm of dance. As such each candidate is allocated a class in either the Bunny and/or Junior department as a student-assistant. All HotSteppers are required to undertake annual examinations in either the ISTD or RAD syllabi, as well as form part of the C&P Team and are marked and guided in accordance with the DFU standards of practice.</p>
